

JOURNAL
OFFICE OF LEGISLATIVE COUNSEL

Thursday - 23 July 1964

1. (Unclassified - JSW) Talked with Senate Armed Services Committee and Air Force L&L and learned the tentatively scheduled hearing on H. R. 2989, the Missing Persons Bill, has been put over. Air Force will keep in touch with us and let us know when this is rescheduled.

2. (Internal Use Only - JSW) Al Westphal, House Foreign Affairs Committee, telephoned to see if we had any information concerning one Douglas Webster who apparently has a book and manuscript dealing with certain problems in the Far East. I indicated I would advise.

3. (Internal Use Only - JSW) Telephoned William Jordan in Senator Russell's office again attempting to arrange a meeting between the Director and Senator Russell. My efforts were not successful.
